

# Workforce Housing Solutions

**ATCO** Structures  
& Logistics

4500 Person Temporary Operating Camp for G8 Security, Huntsville, Ontario

# GLOBAL EXPERIENCE. LOCAL KNOWLEDGE.

## We understand your challenges.

ATCO Structures & Logistics (ASL) has built temporary and permanent workforce housing solutions in some of the most challenging locations and extreme climates.

Our workforce accommodation products are designed for comfort, mobility and durability.

- Temporary construction camps
- Permanent operating camps
- Staff quarters & dormitories
- Lavatories & washcars
- Kitchen/Diner/Recreation
- Site offices & office complexes
- Blast-resistant buildings
- Custom designed products
- Fold-A-Way® metal buildings

*Nabors Drilling, 154 Person Construction Camp, Wamsutter, Wyoming*

*500 Person Permanent Open Camp, Fort McMurray, Alberta*

*Firehall, Fold-A-Way® Metal Building, Calgary, Alberta*

*Your understanding of remote desert camps and your commitment to our projects is evident. You created a high quality and comfortable environment for us in one of the globe's most challenging locations.*

*Pat O'Donovan, Senior Construction Manager, KBR-In Amenas Gas Project, Algeria*

*In Salah Gas Project, 1000 Person Construction Camp, Algeria*

*20,000 person workforce housing complex  
in the United Arab Emirates*

## Experience the ATCO advantage
